Our Docket 04-00091

Dear Ms. Vonderheid,

In order to more fully analyze the above-referenced petition in our Docket 04-00091, the Staff of the Tennessee Regulatory Authority would like to have more information. Please provide the information requested below by April 19, 2004. Consider this as Data Request No. 1.

1. Please provide the Docket Number approving Motion Telecom, Inc. with its Certificate of Convenience and Necessity in Tennessee and the date of the order.
2. Has the Company sought approval in the other states? If so what is the status of those approvals?
3. Have these Companies sought approval of this transfer of control from the Federal Communications Commission or any other federal agency? If so what is the status of the petition? Provide any necessary documents or orders to support your response.
4. Under which Statute TCA 65-4-112 or 65-4-113 are you applying for approval under? Please explain.
5. Is the Company planning on issuing a letter to its customers in Tennessee advising them of the change of ultimate ownership and allowing them to freely change providers if they so choose?
6. The Company states that this change of control will occur "on or before March 10, 2004 or as soon thereafter as practicable." Since we received the petition on March 24, 2004, has this transfer already been consummated?
